

Richardson Associates (1993) Limited

- Recreational Facility - Project Summary -

Project Name: Credit Union Arena, Tignish, PE

In 2005, The Sports Recreation Association of Tignish awarded the design services for a new \$3,200,000 arena for the municipality and surrounding areas after it was discovered the existing arena was structurally unsafe. The construction was completed in October 2006. The facility features an 85ft x 200ft NHL-size ice surface complete with modern lighting and ice-making equipment. The arena has seating for 600 people, six dressing rooms, Zamboni room and refrigeration room. In addition, the facility incorporates a main entrance foyer, canteen, hospitality room, public washrooms, offices, storage areas as well a second floor viewing balcony. The facility has become the focal point of the community and will serve the needs of the community for many years to come.
